

REMARKS

Claims 1-14 are pending in the application and are subject to restriction.

Applicants have added new Claims 15-18. Basis for these new claims can be found at page 2, lines 14-17 and 21-25; page 36, lines 2-9 and 18-19; and page 47, lines 9-13. If any fees are due with the addition of these new claims, please charge such fees to Account No. 04-1928 (E. I. du Pont de Nemours and Company).

In accordance with 37 CFR 1.499, Applicants have been required, in response, to elect a single invention to which the claims must be restricted.

Group I, claims 1-3, 8, 10 and 11, drawn to compounds and use.

Group II, claims 4-7 and 9-11, drawn to compositions containing an additional active ingredient.

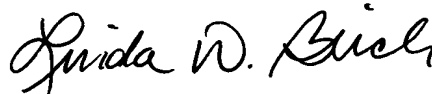

Group III, claim 12, drawn to a two component composition.

Group IV, claims 13 and 14, drawn to a bait composition and use.

Applicants hereby elect Group I, with traverse. Claims 2-18 all ultimately depend from Claim 1, which Applicants maintain would support combining all groups. Alternatively, Applicants respectfully request that the Examiner consider combining Groups III and IV with Group I, as they are drawn to compositions which include compounds of Formula 1 and certain formulation aids, and that new Claims 15-18 be included in Group I.

In view of the foregoing, allowance of the above-referenced application is respectfully requested.

Respectfully submitted,
